

AVIRE APP

AVIRE

The on-site tool that makes lift emergency telephone devices easier to install and configure

Scan the QR codes to download the app onto your mobile phone

INSTRUCTIONS

- Download the app to your smartphone.
- Use your AVIRE HUB login to start using the app. If you do not an account, you can create one in the [AVIRE HUB page](#).
- Once you've logged into the app, you can choose on the home screen to view existing installations or create a new installation.

MONITOR YOUR EMERGENCY PHONE PORTFOLIO ON THE GO

Enjoy the convenience of being able to view and manage AVIRE HUB devices remotely.

VERIFY EN81-28 COMPLIANCE

See a live status of compliance for any of your installations right on your phone, from anywhere in the world.

FAST AND SIMPLE SETUP WIZARD

Set up your Digital Communication Platform (DCP) with an intuitive wizard that makes the install process easy and quick.

EASILY CREATE AND APPLY DEVICE SETTINGS PROFILES

Profiles for each of your devices will save time and increase the reliability when setting up new installations.

FREE TO ACCESS

The AVIRE APP is available for free and can be downloaded from your app store.

CHECK CONNECTION STATUS

Ensure the DCP has been installed correctly, while on-site, with the connection test feature.
