# 7200M-SC/FC/SC3

SmartView 2 Complete Unit

RATH® by AVIRE

## Complete elevator communication with built-in emergency response.

- Complete unit includes display, camera, and built-in emergency response buttons.
- Encrypted software ensures system and network protection.
- Power, voice, and data run over a single pair of wires.
- All-in-one build allows for easy mounting in any elevator.
- Remote monitoring via SmartView Hub.
- Compliant with ADA, ASME A17.1, CSA/B44, IBC, ISED, and FCC requirements. UL listed.
