

RP7700104S

Uninterruptible Power Supply (UPS)

Reliable battery backup for RATH® SmartView systems.

- Powers up to three SmartView 2 units with battery backup.
- Provides 4 hours of talk time.
- Visual and audible alerts indicate power loss.
- Built-in surge protection safeguards connected equipment.
- Compliant with ASME A17.1, FCC, and UL 1778 requirements.

Specifications

Mounting	Wall Mount	Dimensions	11.0" x 3.9" x 14.0"
Enclosure	Plastic	Weight	15 lbs
Environmental	32 - 104°F	Warranty	2 Years
Input Voltage	120 VAC	Output Voltage	120 VAC ± 5%
Capacity	1000 VA / 600 W	Waveform	Simulated Sine Wave
Plug Type	NEMA 5 - 15 P	Cord Length	6 ft
Outlet Type	9 x NEMA 5 - 15 R	Battery Quantity	1
Battery Size	12 V / 9 Ah	Battery Type	Sealed Lead-Acid
Compatible RATH® Equipment	SmartView 2, SmartView 1, In-Building Elevator Communication Systems	Additional Compliance	RoHS, Energy Star
