

CERTIFICATE OF REGISTRATION

Information Security Management System – ISO/IEC 27001:2022

Mastermind Assurance, LLC hereby confirms, as a result of its certification decision according to ISO/IEC 17021-1, that the organization maintains a management system conforming to the requirements of ISO/IEC 27001:2022

AVIRE Trading Limited

Scope

The AVIRE Information Security Management System (ISMS) applies to the security of information including AVIRE App, AVIRE Hub, SmartView Hub and the information systems and networks, personnel, policies and operational procedures, utilized in the design, development, deployment, operation and support of AVIRE products, in accordance with the AVIRE Statement of Applicability.

In addition, the scope is defined with consideration of the organization's external and internal context, the requirements of interested parties, and the described interfaces and dependencies with third parties.

Statement of Applicability

Version:

November 14, 2025

Authorized By:

David Forman
Chief Executive Officer

MSCB-356

Issuance Date

December 9, 2025

Original Registration Date

December 9, 2025

Expiration Date

December 8, 2028

Certification pertains exclusively to the specified management system and does not broaden the scope of the conformity decision to encompass proprietary products, processes, or services. References to sources of controls sets applied within the Statement of Applicability do not represent certification thereof. A unique identification code incorporated in this certificate, along with the certification body's seal and the accreditation mark, must not be cited in advertisements or promotional materials tailored to specific products or services. The certified organization agrees to continue to comply with the obligations detailed within its certificate agreement and in conformity with the underlying schemes comprising the certification criteria. Mastermind Assurance, LLC maintains its operations at 44 Milton Avenue #1026, Alpharetta, Georgia, 30009, United States. This certificate of registration is issued without any explicit or implicit representations or warranties, including but not limited to assurances regarding the qualification or suitability of any particular product.
