

Waste Batteries & Accumulators Regulations 2009

As a re-seller of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we, Avire Trading Ltd use lead acid batteries, lithium polymer batteries and nickel cadmium batteries. We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market. If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should email sales.uk@avire-global.com or telephone 01628 540100. We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.
